Qualify for Priority Hire?

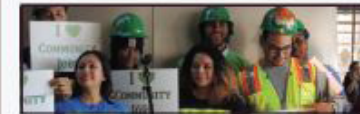

If you live in any of the below ZIP codes you may qualify for priority hiring on City of Seattle Construction sites.

Receive **priority hiring** if you live in the above ZIP codes.

What is Priority Hire:

- 1 Provides priority to community who are underrepresented in the construction industry.
- 2 Prioritizes local workers living in economically disadvantaged neighborhoods, creating access to training and employment within the construction workforce.
- 3 Supports women and people of color become part of the trained construction workforce, with direct access to construction career.
- 4 Creates a better work environment with safety protections, dispute resolution and a grievance process.

Priority Hire History:

In 2015, community organizations and South Seattle workers won a city wide ordinance called "Priority Hire" which required all city projects to hire 20% workers from disadvantaged zip codes. To us, local living wage jobs create more opportunities for our communities.

Made possible by community organizations

Sponsored by the City of Seattle
